## One-Day Seminar at Railway Institute Auditorium, Vijaywada.

Evangelists, Bible ladies and Church Elders attended the One-Day Seminar. Dr. Emmanuel Rebba while delivering the message on Jonah- a Fleeing Prophet, insisted that every human being particularly the Evangelists, Bible ladies and Church Elders ought to follow the plans of God towards his loving people and lead a blessed life.

He emphasized that Evangelists, Bible ladies and Church Elders have to live in Christ, developing the noblest qualities of trustworthiness, genuineness, creditability and above all steadfastness in spreading the word of God.

## Gospel Meetings at Koduru, Krishna District

People from neighboring villages of Koduru village attended the Gospel meetings for two days. Dr. Emmanuel Rebba gave a delightful message on Miracle at Niyene Village, which touched the hearts villagers who attended the meeting. Glory to God for His blessing on IREF in spreading the Gospel of God.

*We pray God will continue to equip IREF to further this program to reach the unreached with Gospel of the Lord.*

## Gospel Meetings at Pamarru, Krishna District

People in and around Pamarru village poured into the Gospel Meetings to hear a message on life of Christ or Barabbas. People were challenged to stand beside Christ instead of Barabbas. On day two, Dr. Rebba gave a message on the Lifestyle of a Nominal Christian illustrated in the life of Jacob. On the final day, he gave a message on Hazardous Hell –Escape.

These messages moved the hearts of thousands of people towards Lord Jesus, a response that has been quite encouraging. Men, women and children as well as the sick and infirm attended the IREF Meetings in Pamarru in incredibly large numbers. In spite of the very hot weather, people were always there at our Gospel Meetings.

Credit goes to Rev. Pradeep, the local Evangelist, who greatly assisted in conducting the campaign successfully. People waited patiently until the messages were delivered and benediction given. We pray God will enable IREF to further continue this perennial program of reaching the unreached with Gospel of the Lord.
